Brother Baptist

Mr. Lane

Brother Roger

Brother Ivan

Brother Andrew McManus

Brother Adrian

The 1978 St. John's Yearbook honors six individuals long associated with Saint John's: Brother Baptist, who passed away on January 20, 1978, Brothers Adrian, Andrew McManus, Roger, and Mr. Joseph Lane. Brother Baptist (1901-1978) died in the early morning at St. Vincent's hospital after an extended illness. He had spent the last fifteen years of his life at St. John's. Before coming to St. John's, Brother Baptist had taught in Brooklyn, N.Y.; Newport News, Virginia; Somerville, Lowell, Malden, Danvers, Peabody, and Lawrence, Mass. For many years, he was a familiar figure behind the counter at the school bookstore, meeting everybody with a smile and kind word. On September 8, 1977, Brother Baptist marked his diamond Jubilee as a Xaverian Brother.

Brothers Ivan and Andrew McManus marked their Golden Jubilees as Xaverian Brothers on January 6, 1978. Both have been associated with SJ for a number of years. Brother Ivan taught many of the Class of '78 Freshmen Religion; a native of Lowell, Brother has been stationed at St. John's since 1962. Brother Andrew attended St. John's on Temple Street (Class of '28). Years later, he was to return to his Alma Mater at the Shrewsbury location, first in the early '60's and later from 1975 to the present. Brother will be remembered for his teaching of Latin II and his conscientious work in the library. Ad Multos Annos.

Another Worcester native is Brother Roger Travers. Originally from Summer St. in North Worcester, Brother Roger graduated from Temple Street in 1918. Brother, who returned to St. John's in 1975, celebrates sixty years as a Xaverian Brother this year. Brother Adrian, a native of Danvers, Mass., also celebrates his Diamond Jubilee this year. Brother returned to Saint John's in 1976. He had previously taught at Temple Street from 1929 to 1935.

To his students, past and present, Mr. Joseph Lane represents the embodiment of the St. John's man. A Pioneer of the old Temple Street St. John's Mr. Lane has carried the great St. John's spirit down through the years and has transplanted it to each graduating class and each graduating senior. Warmed by his friendship, inspired by his courage, and strengthened by the example of his will, the class of 1978 dedicate this Yearbook to him as a testimonial of our gratitude.

Fall Activities

The Sophomore Class truly proved "what goes bump in the night" with the first class night of the new school year. Events included basketball and volleyball in the gym. Later, a series of "Three Stooges" flicks were shown. Refreshments topped off the night. Not to be outdone, the Freshmen had their class night in February. — — Paul Meleski '78

Community Service

Important to the Saint John's community is service and SJ proved this sentiment again this year by the Thanksgiving and Blood Drives. Both services were enthusiastically met by the SJ student body and staff. Thanks should go to SAC who sponsored both these events as well as to the student body and faculty who participated so generously in these initial drives of the school year and in other drives in the winter and spring seasons. — — Paul Meleski '78

Monsieur Jourcin and Engel servent la salade.

Le Cercle Francaise

An exciting and vibrant year welcomed the St. John Student in the French Club. With their passports to culture and educational experiences, students embarked on new ventures, often with "les petites jeunes filles" from Notre Dame Academy. Whether it be a day in Boston followed by a French movie and a typically French meal, a mime theatre at Worcester State, a sleigh ride, Moliere's **Tartuffe** or a wine and cheese tasting — there was something for everyone. — John Deedy '78

"Learn a Language; Live a Culture"

Model United Nations

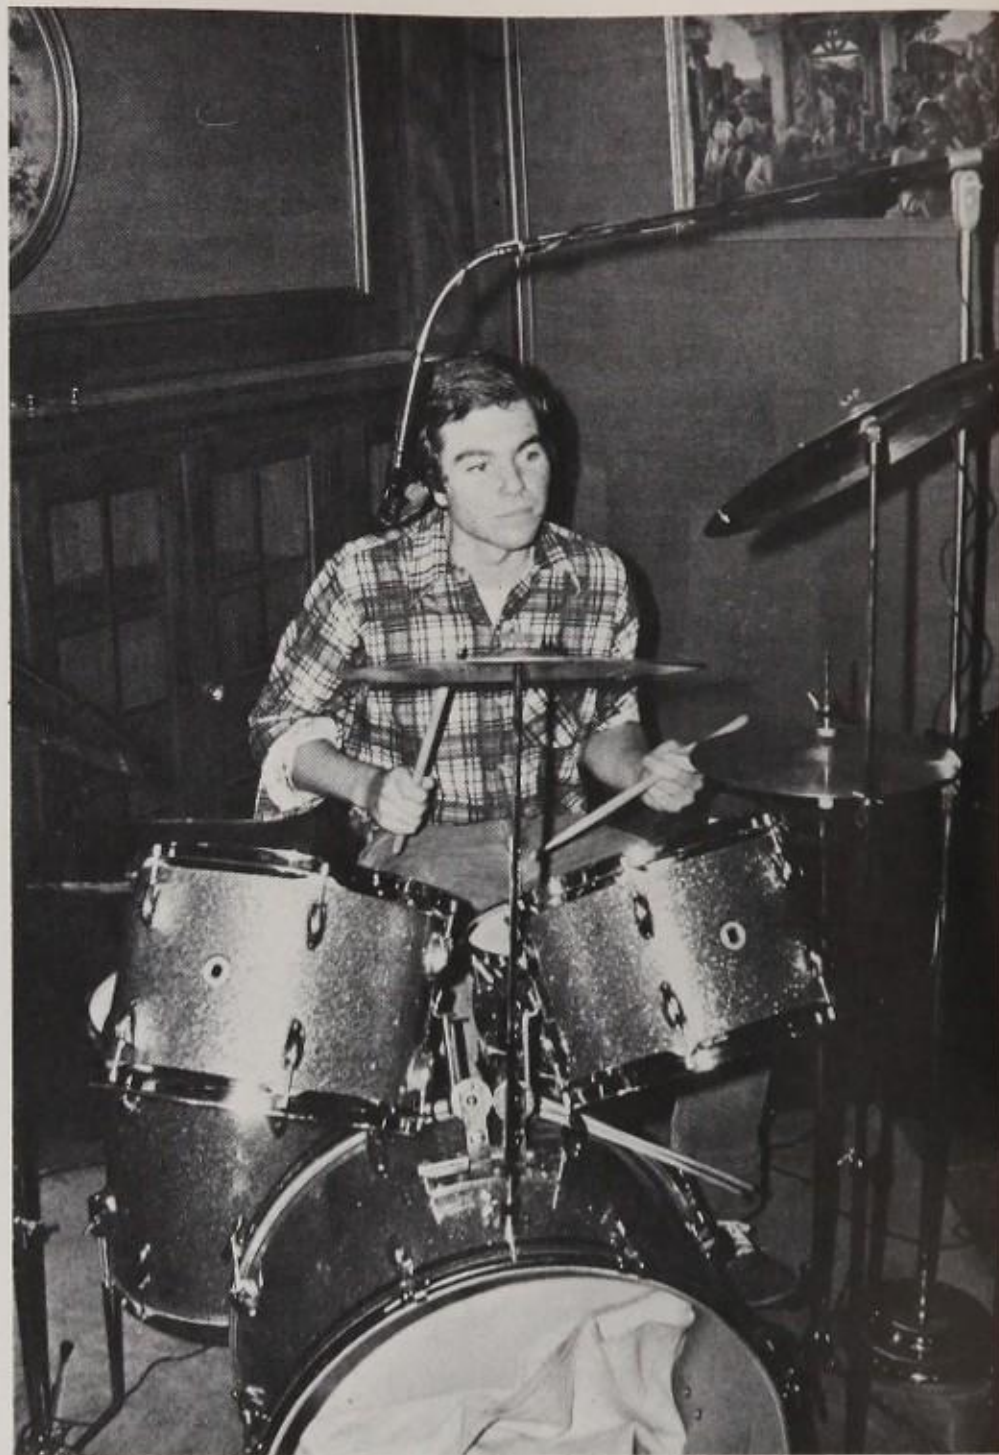

After a year's absence, the Model U.N. returned to Saint John's. Headed by its two dedicated moderators, Mr. Wilson and Mr. Gregory, the purpose of the Model U.N. is to inform the students of how the U.N. functions as an international arbitrating body. The program welcomed more than forty students who, aided by Louis Kokernak, Parliamentarian, and Keith Bruso, Secretary, were assigned a particular country. The students researched and familiarized themselves with the foreign policy of that country. During the 1977-78 school year, the students attended three conferences: the Twenty-second Harvard Model U.N.; the Fifteenth North American Model U.N. at Georgetown, D.C. and the Assumption Model U.N. Pictures on this page illustrate the Annual Parents' Night held on Nov. 28, 1977. — Daniel McManus '79

Economics Club

Under the direction of Mr. Robert Reidy, the Economics Club is designed to introduce the student to the organizational world of business. Special emphasis is devoted to the workings of the stock and commodity markets as a source of investment, and the federal income tax code as a source of regulations. Exposure to these two areas may facilitate selection of career goals as well as serve as a guide to the building of an estate. Pictured here, Jim McCarthy and Charlie Pappas, as future millionaires, search for income tax loop-holes.

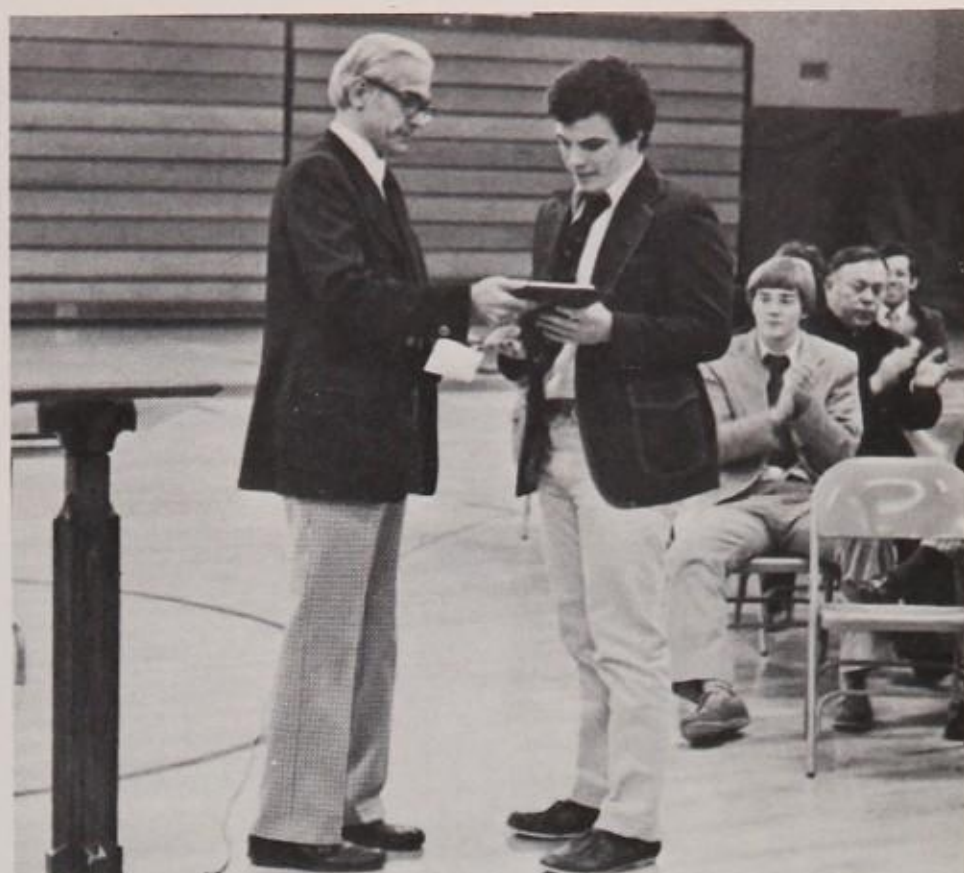

Spanish Club

The St. John's Spanish Club, moderated by Mr. Stephen Plaza, sponsored many interesting and exciting cultural events including a trip to Boston to see world famous Spanish classical guitarist Andre Segouia, a show at Worcester State, and a fiesta with music by the Spanish Club "cantantes."

Assemblies

Several times in the course of the school year, Saint John's honors students who have achieved success academically, athletically, culturally, or socially. **Left:** Mike Tanona receives a National Honor Society plaque from Mr. Araby. **Above:** Tom Lane receives the James J. Dorsey Scholarship Award.

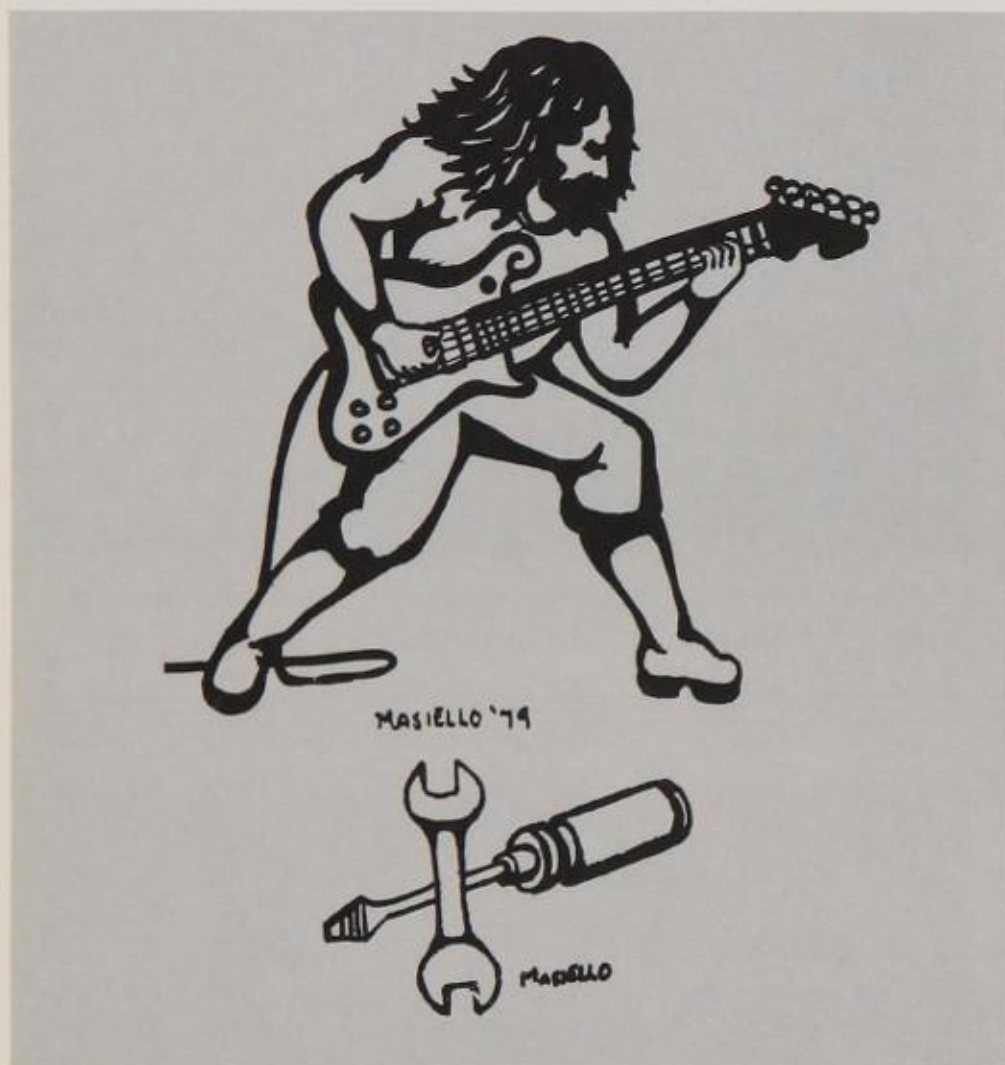

Auction

The Mothers' Guild Fall fund raiser has always been a prominent date on the St. John's calendar. For the past two years, the activity has taken the form of an auction. The year's was the most successful event the Guild has ever had due to the generosity of all who donated articles and services, the devotion of the mothers and students who worked setting up, and the help of the faculty and dads who did the actual selling.

Dances

On September 24, **Ice** slipped into the SJ gym for the first dance of the school — year. Four weeks later, on October 22, the Senior Class presented the **Incredible Two Man Band** in its first high school appearance in more than five years. I.T.M.B. gave a performance to remember: half in the air and half on the ground. In November, **Circus** strutted into our gym to put on one of the "Greatest Shows" of all time. — — Mark Beckwith '78

Motorcycle Club

A motorcycle club was organized under moderator Mr. Murphy by Mark Sacco, who served as president, Charles Barry, Vice-President, and Ralph Masiello, Junior Class Officer. Included in club activities was trail riding in West Boylston. — — Ralph Masiello '79

The 1977 chapter of the St. John's football storybook proved to be the most exciting yet. A quarterback whose future dreams include a baseball career; two running backs who combined to produce one of the area's top backfields; offensive and defensive linesmen — all of whom are candidates for the "Unsung Hero" award — who practiced what they preached in dedication and hard work; receiving ends who made the aerial attack so successful; and a defensive secondary which somehow survived the season despite an abnormally high injury rate, successfully put it all together to win the Super Bowl game over Fitchburg's Red Raiders and simultaneously claim the Central Mass. Division I title.

Opening day, which featured a convincing win over Leominster (Coach Bradley's first win over the Blue Devils in seven years) immediately instilled the possibility of post-season play into all those in any way related to this high-spirited, hard-working club. Co-captains Rich Penny and Pete McEvilly were prime examples of the dedication that was so much a part of this squad. During regular season play, the team compiled an impressive 8-2 record. Victories over Leominster, Doherty, Don Bosco, Gardner, Shrewsbury, Wachusett, Burncoat, and St. Peter-Marian in the annual Thanksgiving Classic were sandwiched around losses to Fitchburg (in regular season play) and to Holy Name. As the season wound down to its final week, the top place in the Division I standings had not been decided. When it was all over, Fitchburg and St. John's were deadlocked atop the standings with identical 8-2 records. The two teams put their seasons on the line as they clashed at Doyle Field in Leominster to decide the Central Mass. Division I championship. The final score told the story with our Pioneers prevailing 6-0. Both teams displayed outstanding defensive efforts just as the score indicates. A CHAMPIONSHIP: a most fitting conclusion to a super season. — Bob Slein, 1978

Missing: Nich Argento, manager.

JUNIOR VARSITY SOCCER: **Front (l-r):** Mike Dolan, Don Cox, Tony Joseph, Kevin DerBerdroian, Denis O'Connor, Tony Pascarelli, Ted Sykes, Jim Utzschneider; **Back row (l-r):** Jim Hurley, Tom Chaleki, Paul Hunt, Jamie Knight, Bryan Eddy, Bob Cronin, Bill Robertson, Paul DeMoor, and Steve Buckley. The J.V. compiled an 11-2-1 record. The coach was Mr. Brian Foley.

Captains (l-r): Tom Turpin, Mike Moynihan, and Ed Gill

The 1977 soccer team did what no other Central Mass. soccer team had ever done: the team won a District Championship two years in a row. With a 15-1-2 regular season record, SJ won the C.M.C. league championship for the third consecutive year.

Tri-captains Tom Turpin, Ed Gill, and Mike Moynihan played important roles in the team's successes. With a goals-against average of 0.61, the S.J. defense set an all-time SJ defensive record. Goal-keeper Mike Moynihan collected ten shutouts, while Ralph Masiello and Craig Orze had one shutout apiece in goal. Credit for the fine defensive record belongs as well to Seniors Bill Moosey and Ed Gill and two Junior Fullbacks, Dan Wrenn and Jim Dickson. Offensively, Michael Donoghue was high-scorer with 12 goals and 6 assists. Senior Kyle Bourque had 4 goals and 3 assists, while Sophomore Bob Lemay had 10 goals and 3 assists. The Offense averaged 3.05 goals per game. The hustling play of John Loftus, Andy Dale, and Peter Smith illustrates why the team did so well. Senior Tom Turpin, Juniors Paul Hunter, Mike Pingeton, and Vin Jamieson consistently played hard, non-stop, hustling soccer. Tom Foley, Dave Wood, Mike Lombardi, and Nestor Romero all deserve mention for fine play.

The team had an 8-0-2 record for the first ten games. With the second longest unbeaten streak in Central Mass. on the line (thirty-eight games over a three season period), the Pioneers fell to Wachusett 2-0 on Oct. 18. However, in the next seven games, SJ went undefeated and untied while posting six shut-outs. Post-season play began on Nov. 10. In the fog at Auburn High's field, SJ beat Marlboro 2-0 behind a first period penalty kick by Bob Lemay and a fourth period score by Kyle Bourque.

The team advanced to the semi-finals against the Blue Devils of Leominster. Two quick goals by Kyle Bourque and Mike Donoghue, and another quick goal by Mike Pingeton at the start of the second half assured the Pioneers of the win. Mike Donoghue added a fourth goal in the final period for the final 4-0 score. In the District finals, Paul Hunter passed to Mike Pingeton at 2:10 of the first period to give SJ a 1-0 lead over North High's Polar Bears. North tied the game in the second period. Paul Hunter made a brilliant rush up the right side fifty seconds into the second half to put SJ ahead to stay. Tom Turpin's throw-in to Mike Lombardi who headed the ball into the net with fifty seconds remaining made the score 3-1.

A long trip to Springfield to vie for the Central-Western Mass. championship followed. On the Astro-turf at Springfield College, West Springfield defeated Saint John's 2-0. Post-season All-Stars teams included: **Central Mass. All Stars:** Mike Moynihan (select team), Tom Turpin (select team), Paul Hunter (Tournament MVP), and Honorable Mentions to Ed Gill, Bill Moosey, Mike Pingeton, and Bob Lemay. **Conference All-Stars:** Mike Moynihan, Tom Turpin, Ed Gill, Mike Donoghue, and Paul Hunter; Honorable mentions to: Dan Wrenn, Bill Moosey, Mike Pingeton and Bob Lemay.

Perhaps, the most significant award of all was the Central Mass. Officials Award for Sportsmanship presented to the Pioneers. This award is presented for sportsmanlike conduct on all levels of soccer play (Freshmen, J.V. as well as varsity), and in acknowledgement of the sportsmanship displayed by the SJ soccer fans. This season's awards not only further attested to SJ's excellent soccer program but also recognized the high sportsmanship of the SJ soccer players. — Nick Argento, Class of '79.

Freshmen Soccer: Continuing a Winning Tradition

Freshmen Soccer: Front Row (l-r): Paul Giroux, Justin Kelly, Mike Dalton, Warren Hayden, Mike Grahm, Phil DeSimone, Tom Gill; **Second Row** (l-r): Kevin Dunn, Chuck Pratt, Bob Fitzgerald, Brad Hastings, Mark Sharkey, Bill McManus, Paul Salem, Tom Charnely, Scott Wallace; **Third Row** (l-r): Coach Joseph Morgan, Max Olmstead, Chris Kennedy, Phil Carney, Ted Heywood, Peter Dowd, Don Sohn, Alan Barton, Jim Griffin, Mark Hamel, Head Coach Paul O'Keefe.

Fall Crew

The 1977 Fall Crew Season was one of immense success. The team attended two meets: the WIRA Regatta and the Head of the Charles. The first boat compiled an overall record of 50 victories and 13 defeats. Forty of the team's victories were over college and university teams. — Dan McManus, 1979

Striding Glory: St. John's Track

Cross Country (l-r): Front Row: Mike Curran, Charles Trainer, Tim Loftus, Dave McClure, Ed Hack, and Dan Chartier; **Middle Row:** Dennis Crowley, John Barry, Rich Pierce, Dennis Jerome, Jack Donoghue, Ken Deruge, Gary Beisaw, Louis Kokernak; **Top Row:** Assistant Coach Kurt Brenner, Bro. Raymond Hoyt, Kerry Brenner, Tim Donahue, Pat Murphy, Frank Shaughnessy, Dan Biggins, Jay Coggins, Tom Healy, and Kevin Brenner.

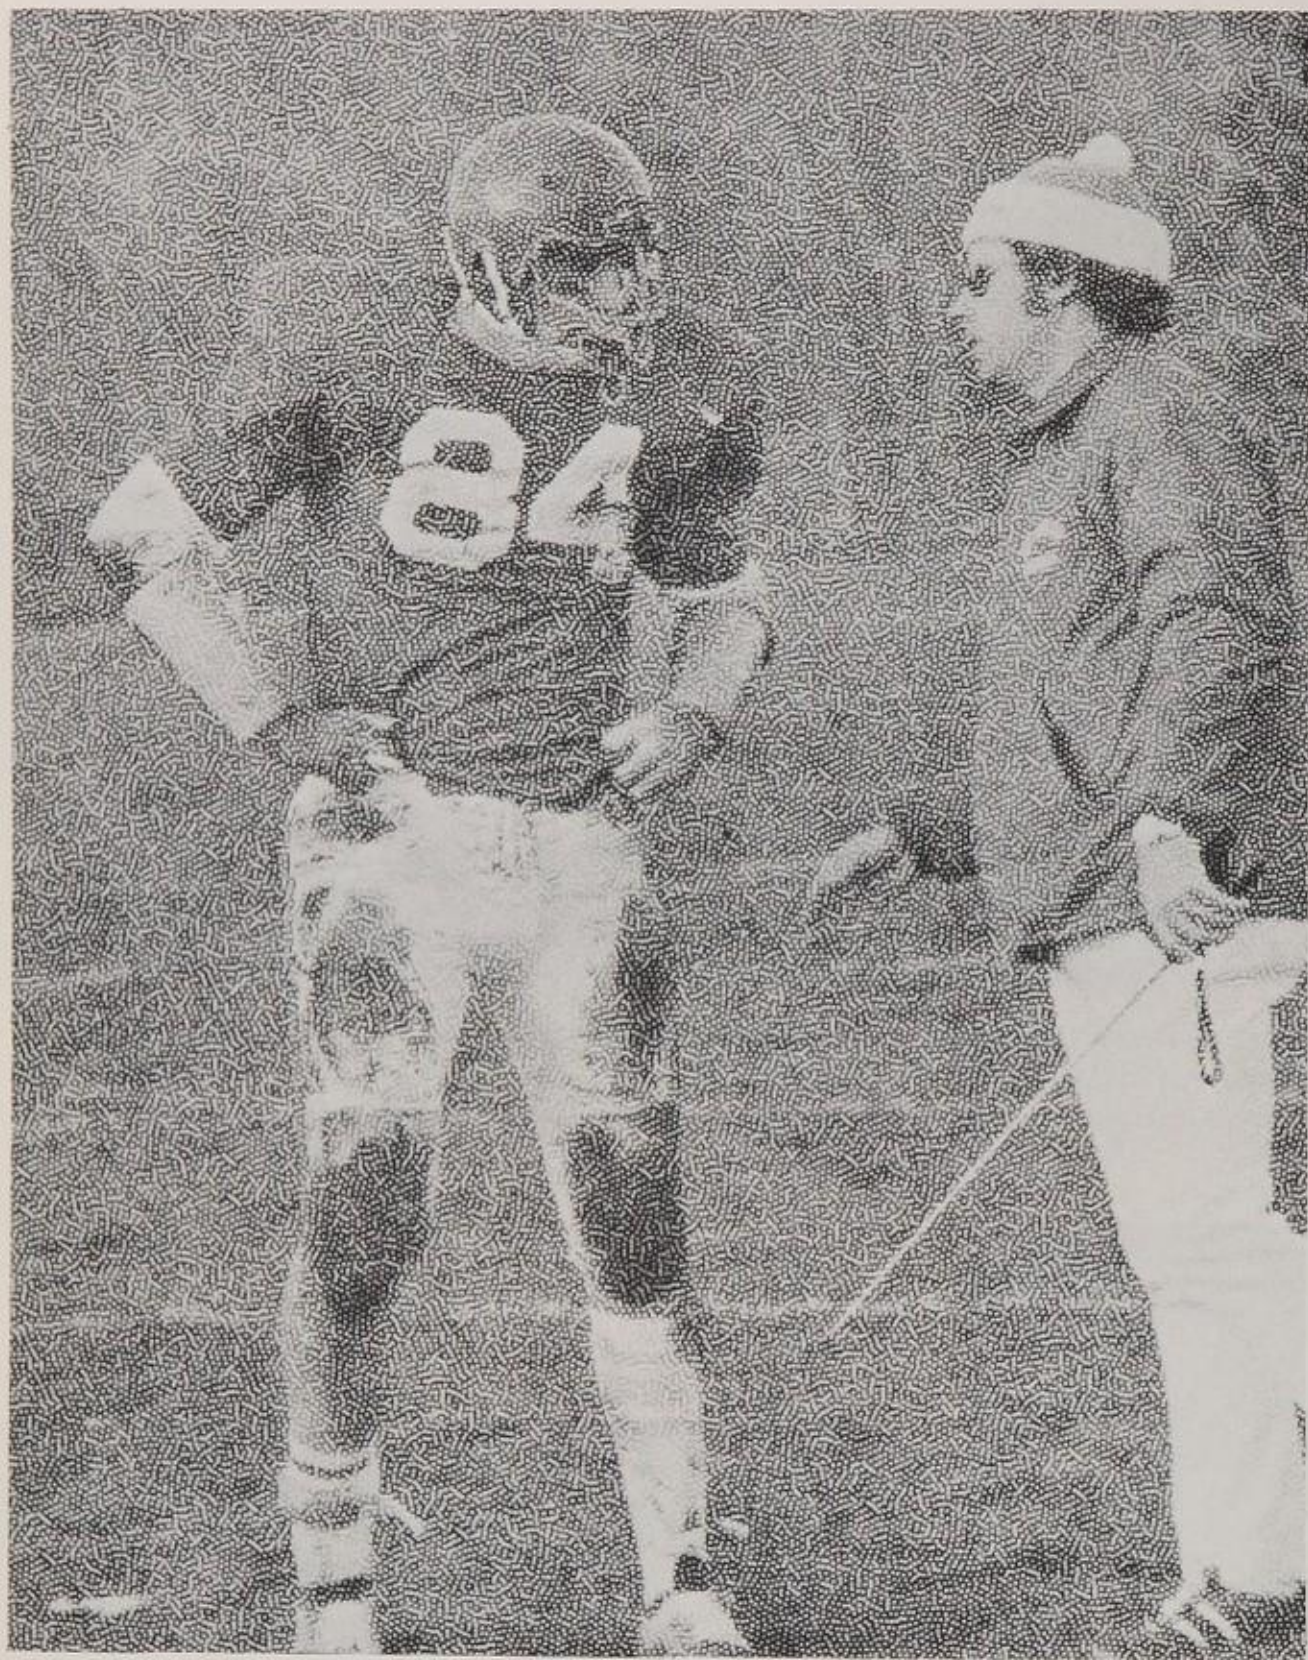

Captain Kevin Brenner & Coach Bro. Raymond.

The 1977 Cross Country team began with three returning lettermen: Kevin Brenner, Louis Kokernak, and Dan Chartier. An awesome Sophomore contingent (Dennis Jerome, Kerry Brenner, Mike Curran, and Brian Carroll) boosted the team. The explosive Dennis Crowley, a Junior and Sprint star John Hayes rounded out the varsity squad.

The first two meets against powerful St. Bernard's and perennial power Gardner were sobering experiences for the SJ striders. But in the third meet of the season, the 0-2 Pioneers upset a strong Leominster team by one point. The victory was lead by the strides of Den Crowley. On a soggy Monday afternoon, the Pioneers traveled to Green Hill for a double duel meet with South and Doherty. Although South went down in defeat, a sure victory over the Highlanders was lost when Kevin Brenner pulled up with cramps.

At Fitchburg that same week, SJ put together its finest performance of the last few years. There, Kevin Brenner, Dan Chartier, and Dennis Jerome finished 2-3-4 respectively in a rout of SJ's North County rival. Next, Wachusett played its home advantage in shutting out the Pioneers the following week. This defeat would be SJ's last loss for the better part of a month. Never losing heart, the Pioneers defeated Burncoat, Holy Name, Quabbin, Shrewsbury, and capped their streak with an upset over Westboro. After a loss to Nashoba, the striders finished a successful season with an 8-5 record. Special recognition goes to Kevin Brenner for qualifying for the District III Championship. — Louis Kokernak, 1978

Sassy Scenes

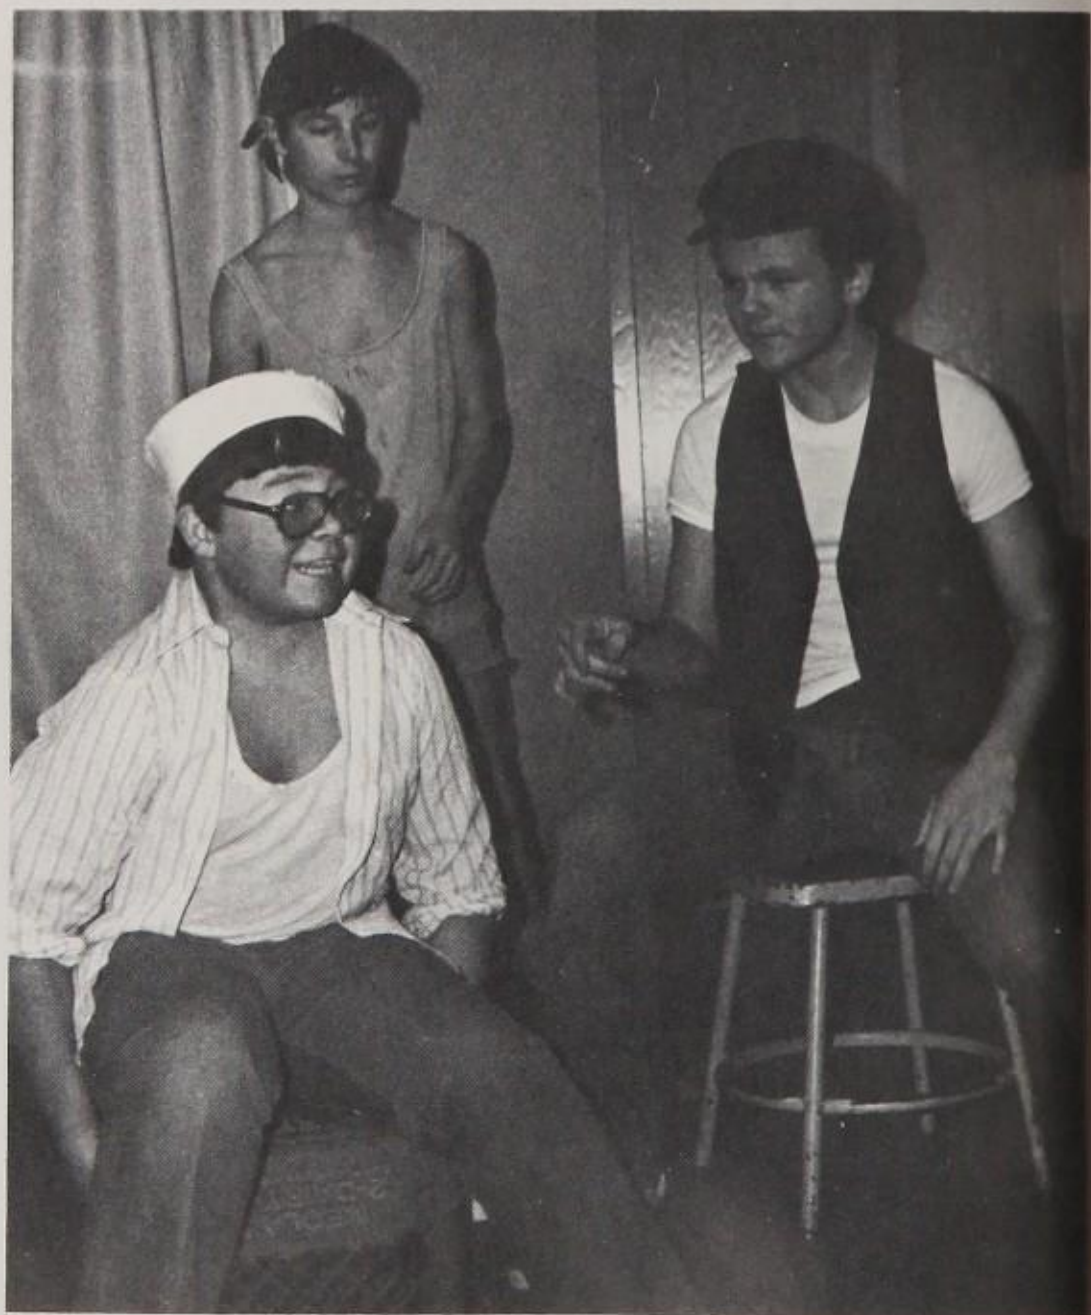

Sassy Scenes was the first endeavor of the Drama Club in 1977. It was a series of five scenes with a comically satirical flavor. Included were **Death** by Woody Allen; **Dead End** by Sidney Kingsley; **Don't Drink the Water** by Woody Allen; **Bury the Dead** by Irwin Shaw; and **God** by Woody Allen. All active members of the Club participated in these scenes. The performances ran Dec. 14, 15, and 16 under the direction of Mr. Savage.

The Roar of the Greasepaint . . .

Few get out of life everything they desire; yet, true contentment lies in the heart. One who gets is Sir; his foil is Cocky of the "have nots." They meet to play the game . . .

On the night of Feb. 17 and 18, the Drama Club presented **The Roar of the Greasepaint, The Smell of the Crowd**. This musical directed by Mr. Ed Savage had, in the starring roles, John Deedy as "Sir" and Robert Trombi as "Cocky." Charles Barry as "Kid", John Vaughn, and Cathy Woods had supporting roles. The Urchins were played by Sean McNally, Ruth Cataldo, Seth Belazarian, Louis Silveri, Phil Eichorn, and Keith Bruso. Mr. Stephen Gregory was the musical director. Joanne Cundall displayed a flair for costume designing. Chris Chaleki was the constructor of the sets. — — John Deedy '78

"Child's Play"

"Something is happening to the boys in this private catholic school, and nobody is quite sure what it is." The answer to this implicit question became the plot of the Drama Club's third production of the 1977-78 school year, "Child's Play" performed at Worcester State College on March 16, 17, and 18. The Faculty was played by Daniel Biggins (Paul Reece), Brian Saul (Fr. Penny), Francis Akerson (Fr. Griffin), Thomas Marion (Jerome Malley), David LaMachia (Joe Dobbs) and Jeff Beauchamp (Fr. Mozian). The boys were played by William McManus, Tom Mahon, Daniel Connor, Thomas Gill, Brooks Carter, Phillip Eichorn, John Connors, and Charles Monahan. Set advisor was Chris Chaleki; the construction crew was composed of Tom Marion and Chris Parreka. Ably acting as Assistant Director was Mr. Mark Murphy. Finally, Mr. Ed Savage served competently as Director.

Mr. Wilson Goes to Washington

In February, the Saint John's Model U.N. made its climatic trip to Washington, D.C. Sponsored by Georgetown University, the NAIMUN Conference is the most prestigious Model U.N. Conference in the country.

Arriving in Washington, D.C., U.N. Club members were taken on a tour of the Capitol by Congressman Joseph Early. The U.N. sessions themselves were exhaustive but challenging. St. John's represented Czechoslovakia, on the Security Council, and, in the General Assembly, the following: Iceland, Mauritania, Yemen, Belgium, and Bulgaria. The Bulgarian contingent, consisting of Jim McKenna, Jim Utzschneider, Dwight Arvidson, Scott Peterson, John Foley, Henry Goodrow, and John Kokernak received one of the ten distinguished delegation awards presented at the 140 delegation assembly. Special thanks go to Mr. Carl Wilson and Mr. Gregory for their hard work and understanding in making the trip to Washington a reality and a success. — Louis Kokernak '78

Vin, Formage, et Pippin

The Great Blizzard of '78 may have brought St. John's to a standstill for a week but the French Club managed to have its prestigious Wine & Cheese Tasting. On a bright sunny afternoon, sixty-five students, parents, teachers, and friends attended this function. Mr. Charles Glotis of Worcester lectured on the delicate wines of France and the tasty cheese of the Loire Valley. The afternoon was enhanced by a wide variety of cheeses to sample. Mr. Paul Jourcin and Mr. Paul Lamontagne coordinated the function.

The previous week the French Club attended the opening of Monet impressions in Boston at the Boston art gallery. In early March, thirty-five students attended the musical comedy "Pippin" at the Shubert in Boston. — John Deedy '78.

Basketball: Another Pioneer Championship

District Champs (l — r) Front: Art Tomasetta, John Howard, Joe Daigneault, John Kirby, John Moynihan, Bob McDermott, Larry Ferranto; **Back:** Robert Dunne, Robert Grenier, Mike Kelleher, Bill Zidelis, Carl Rapp, Kevon Morin, Mike Foley, Ed Darling, and Coach Bibaud.

The 1977-78 basketball season added another chapter to Coach Bibaud's book of success. It was a super year for the entire team. Center Carl Rapp's hard work inside combined with the outstanding shooting, slick ball-handling of guards John Kirby, Jack Howard, and Whitey Moynihan to produce an awesome winning formula. Starting forwards Bill Zidelis and Joe Daigneault came up with one solid performance after another with their clutch scoring and rebounding. The fine work of reserves Mike Kelleher, Rob Grenier, Art Tomasetta, Bob McDermott, Larry Ferranto, Mike Foley, and Ed Darling can't be overlooked.

With hard work and desire, the team rolled to an impressive 21-3 regular season record. The Pioneers were runner-ups in the Catholic Tournament played at Holy Cross to the eventual Rhode Island State Champs. Post-season play included a win over Holy Name and a big victory over Fitchburg to take the District crown. In this District III final, our club came up with perhaps its finest effort of the season in coming back to overcome a big half-time deficit. In the state semi-final contest, Lexington did likewise in the second half after SJ had totally dominated the first half of the game. Thus, our hopes for a state title came to an end. Lexington knocked off Derfee in the finals, so our team was certainly close to the title.

For Mr. Bibaud, the second match with St. Peter — Marian was especially sweet. It was the 400th career victory for him as a coach. This is a remarkable achievement for any coach, and congratulations are in order.

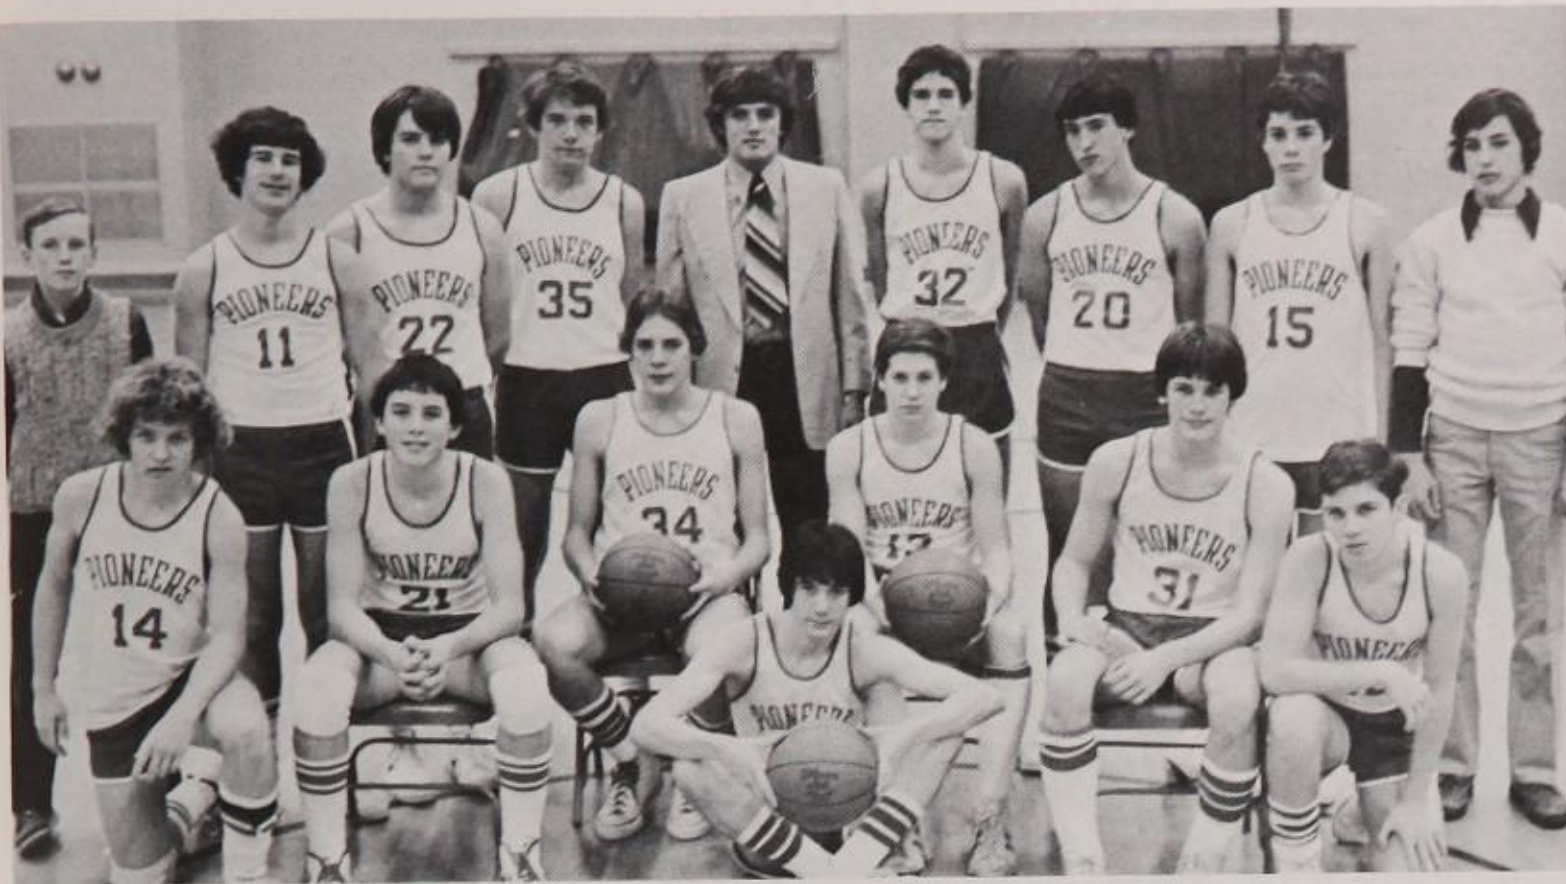

The regular season included victories over St. Peter — Marian, North, St. Bernard's, Gardiner, Leominster, Doherty, Holy Name (each twice); a single victory over Cathedral High of Boston, and a win and a loss to Burncoat and Fitchburg. The only other regular season loss was to Hendricken High of Rhode Island in the Catholic Tournament.

It was another great season and with it came many exciting moments. For the seniors in particular, it was a season that can be looked back upon with pride, with many memories worth cherishing. — Bob Slein '78

Left - Right: Captains Tom Turpin and John Hayes; Coach Mr. Frew

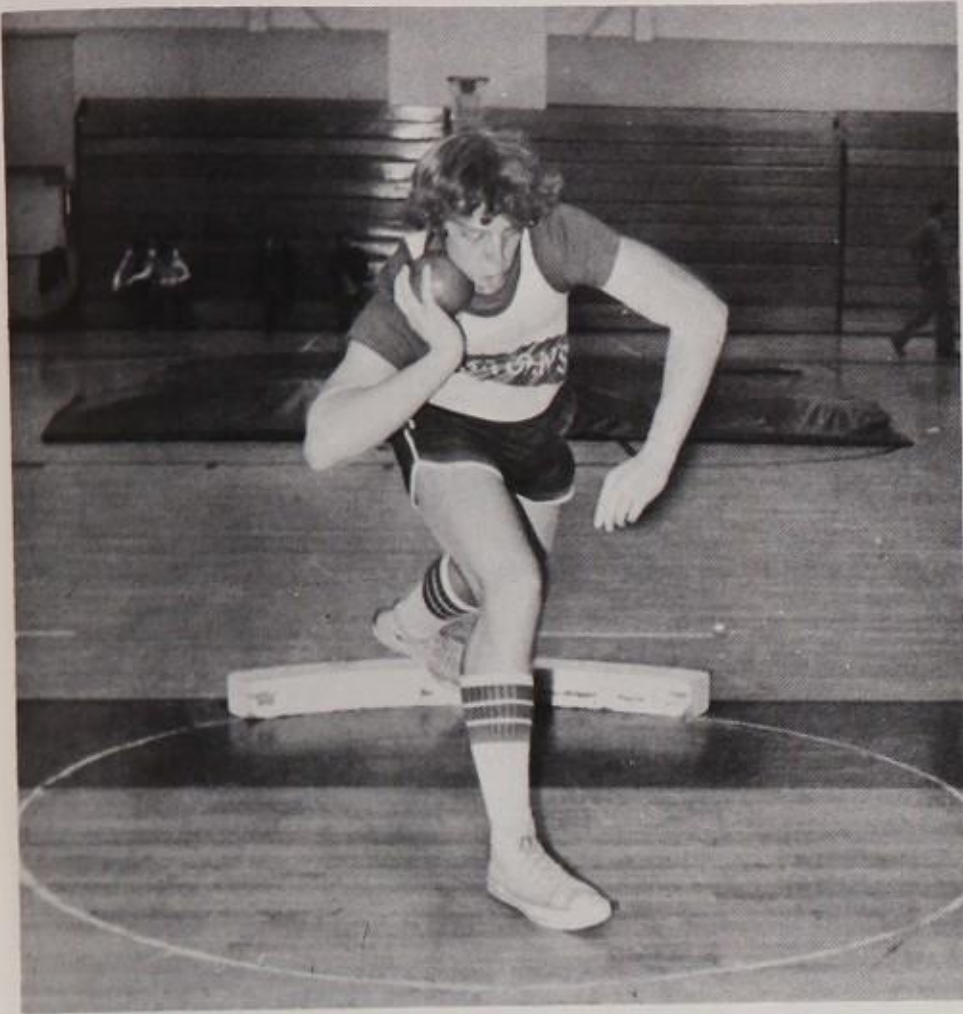

Braving both the cold, sloppy going of their outdoor jaunts on the early winter days and the antagonizing "shin-splints" coming from running in the gym, the winter track team began in late November to push anxiously toward December 17, the day of the first meet. However, the first meet wasn't one of success as the Pioneers fell prey to the Leominster Blue Devils. In the second meet of the season, the team bounced back from its initial loss with a crushing victory over South. The following Saturday, the team would be put to the test by Fitchburg High. Every lead by one team was checked by the other. Eventually, Fitchburg prevailed by eight points.

The next two meets were easy victories as the Pioneers "ran all over" Wachusett and Burncoat. Then, the climax of the regular season came: the meet against the Doherty Highlanders. St. John's had never beaten Doherty. St. John's ran out to an early lead and stayed ahead. Victory was clinched with three events still to be run.

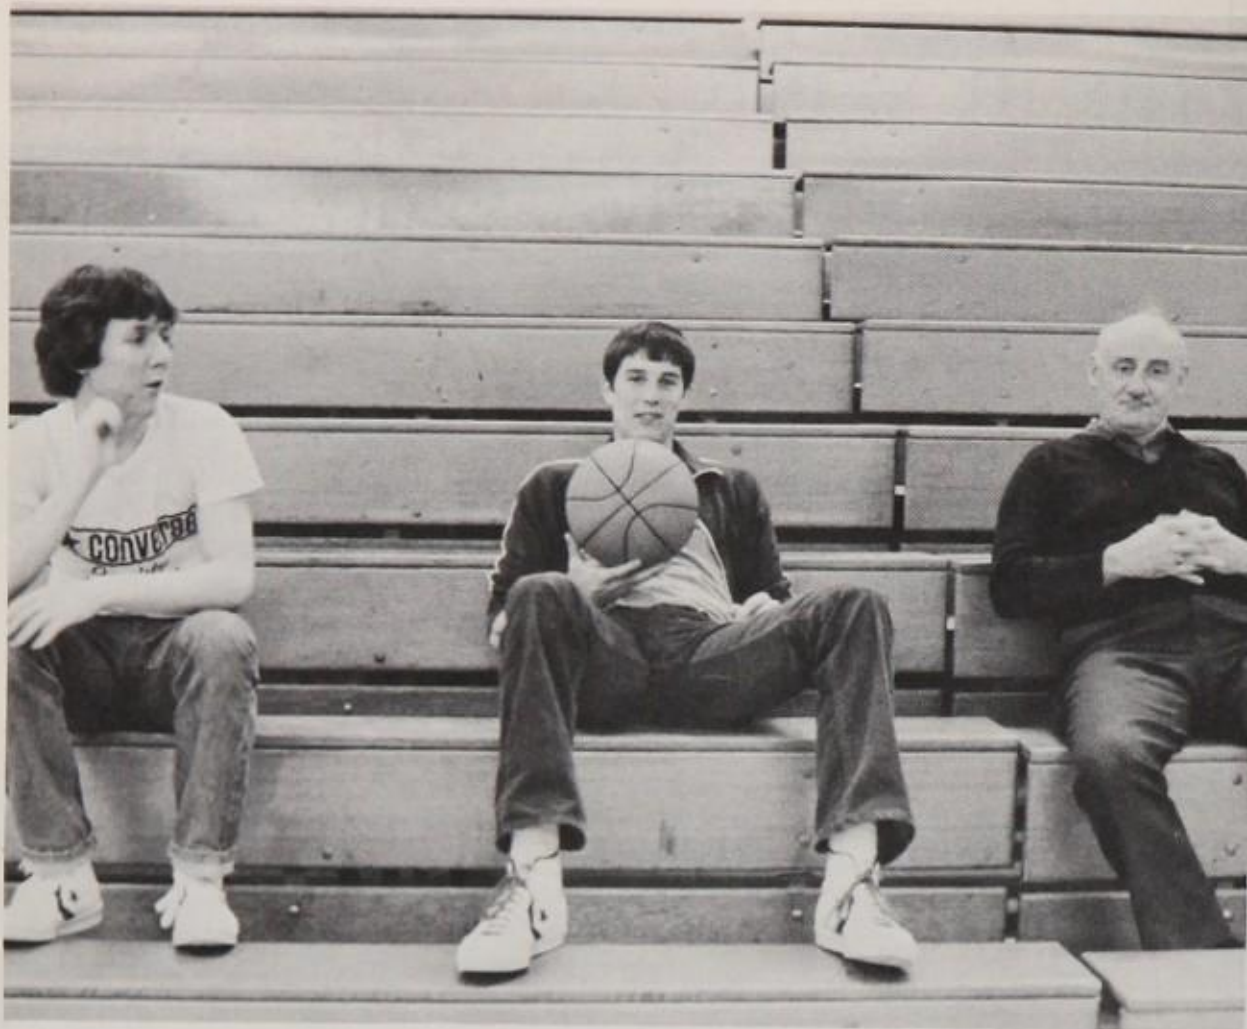

Of course, a team is only as good as its members. The Pioneer team contained quite an assortment of talent: Dan Chartier and Dennis Crowley in the two mile run; Tom Turpin and Paul Hunter in the mile; Doug Chiras, Chris Massei, and Mark Vigliatura in the dashes; John Hayes and David Wood in the six-hundred; Kevin Brenner and Mike Curran in the thousand; Charlie Barry, Steve Kelley, and Chuck Murphy in the hurdles; Mark Sacco, Eric Kender, and Mike Pacheco in the shot-put; Kevon Morin, David Reidy, and Richard Troupes in the high jump. Sophomore and Freshmen talent in performers such as Dick Etre, Matt Comptois, Gary Beisaw, Jay Coggins, and Vin Yacuzzi, point to future promise for winter track under Coach Frew.

The Blizzard of '78

White Tears
 From heaven's eyes
 Are
 Falling
 From
 The
 Sky
 They touch the ground
 And melt away
 for good.

These lines from the poem "Snowfall" by Icon-award winner Steve Nordborg ('80) exemplify the wonderful qualities of a winter's storm. Certainly, the blizzard of '78 makes one stand in awe at the power and mystery of the world in which we live. Whether the record snowfall of this winter was seen as a blessing or a major inconvenience, there is no doubt that we will always remember this storm and are not likely to see another like it.

Club members (l-r): John Dolan, Guy Hibbert, Joe McManus, John Dagnello, Tom Barry, and John Barry. Mr. William Doyle was club moderator.

Sportsmen Club

Club members pictured above include: Michael Tashjian, Mark Tashjian, Vin Yacuzzi, Brian Deedy, Brooks Carter, Chris Bridges, Jim McKiernan, John Trainor, Dave Condon, Eric Kender, John Vangos, Peter Fontaine, Jay Bagley, Michael Foster, Jim Doyle, and Ernest Foster. Activities of the club included films, lectures, discussions, and field trips dealing with outdoor living. Mr. Murphy was club moderator; Ernest Foster did much of the planning and organizing.

Tennis: C.M.C. Champs

Varsity Tennis (l-r): Kneeling: Ted Garabedian (captain), James Umphrey, Mark Marsella, Keith Traub, Scott McGavick, John Connors; **Standing:** Craig Orze, Jeff Nitz, James Hayes, Nery Gomez, Stephen Queenan, Brother Alois. In only its third year of existence, the SJ tennis team won the Central Mass Conference Championship with an 11-1 league record. It was 15-3 overall against the best competition in the area. Captained by senior Ted Garabedian, the team's outstanding player was Frosh John Connors who played first or second singles and lost only one match the whole season. Keith Traub and Steve Queenan — also both Freshmen — came along well and were playing first doubles at the end of the season. Sophomore Jeff Nitz and Juniors Joe Arsenault, Jim Umphrey, Nery Gomez, Mark Marsella and Craig Orze should be big guns next season. Backing them up, Scott McGavick, Art Longwell, and Scott Peterson should make it a mighty interesting year.

Junior Varsity Tennis (l-r): Brother Alois, David Bishop, John Carlson, Stephen Foisey, Thomas Lawless, John Dubay, Paul O'Neill, Brian Shea, Michael Veracka, and Gary Giroux (missing: Matt Coz, Steve Everbach, Phil Grenier, Charles George, and Mike Scavone). With a 5-2 record the junior varsity gained much experience. Freshmen Jim Hayes was the outstanding player and won promotion to the varsity for several matches. Steve Everbach, Matt Coz and several others may well be strong enough to give this year's varsity subs a hard time next year.

Crew

While in some respects the Fall and Spring rowing season of 1977-78 may have had a few off-moments, nevertheless, the season as a whole was a success. In the fall, the Pioneers put in quick practice times and a lot of hard work in preparation for the Head of the Charles. The Pioneers headed for Boston to participate in the famous Head of the Charles Regatta. The Pioneers finished high on the scale, with the first boat finishing 10th, the second boat 21st, out of thirty-six shells.

In the Spring the SJ crews were off to a poor start due to the ice's late melting on Lake Quinsigamond. Though late hitting the water, the oarsmen were ready to go. By the end of the Spring season, SJ was in strong competition for the New England School Boy Championships. All three boats qualified for the finals. In the finals, the 1st boat finished sixth; the second boat finished 3rd (missing second by 0.7 seconds); and the third boat came in fifth.

Spring: when a young man's fancy turns to track

The SJ Frosh track team went undefeated during the regular season and capped its success on June 2 in the C.M.C. Championship meet when the Freshmen scored 72 points for an 11 point margin over second place Leominster. The 1978 Freshmen team set the following SJ Freshmen records: Sean McDermott (57.9) in the 440; Don Sohn (47.1) in the 330 low hurdles; Sean McDermott, Jon Belanger, Mike McKeon, and Don Sohn (1:47.5) in the 880 relay; Chris Rapp (5'6") in the high jump; Mike McKeon set records for both the eight pound and 12 pound shots; David Clark and Larry Haith set records in the discus. Vin Yacuzzi was the leading Freshmen scorer. **Above: Front Row (l-r):** Larry Haith, David Utzschneider, Mark Massei, Rich Houlihan, Gary Beisaw, Jay Prefontaine, Jim Richard, and Jon Belanger; **Second Row (l-r):** John Fontaine, John Deamer, David Zaterka, Mike McKeon, Steve Grahm, Chuck Monahan, Don Sohn; **Last Row:** Richard Holland, Sean McDermott, Chris Arsenault, Chris Kennedy, Chris Rapp, Peter Mazzeralli, Francis Duggan, William Robertson, and Peter Finn. The 1978 Varsity Track team ended the season with a 6-3 dual meet record: losing to Shrewsbury 78-67, to Fitchburg 93-52, and to Doherty 72-64. On the winning side, SJ defeated South 80-56, Leominster 73-72, Gardner 94-51, Wachusett 81-64, Holy Name 106-39, and St. Bernard's 93-25. Included in the season's achievements were two new varsity records: Chris Massei 12' in the pole vault and a mile relay time of 4:35.9 set by the team of Mike Curran, David Wood, Doug Chiras, and John Hayes. Junior Dan Chartier placed first in the C.M.C. Championship meet in the two mile and third in the District III meet. Other scorers in the District III included Chris Massei in the pole vault; Sophomore Bill Pelosky in the Discus; Junior Richard Troupes in the high jump; Tom Turpin in three events (javelin, mile, and relay); John Hayes in the 440, Kevin Brenner in the 880; and Junior Doug Chiras in the 220. Doug Chiras, Dan Chartier, Tom Turpin, Chris Massei qualified for the Mass. State Track meet at Taunton in June.

Another Outstanding Season

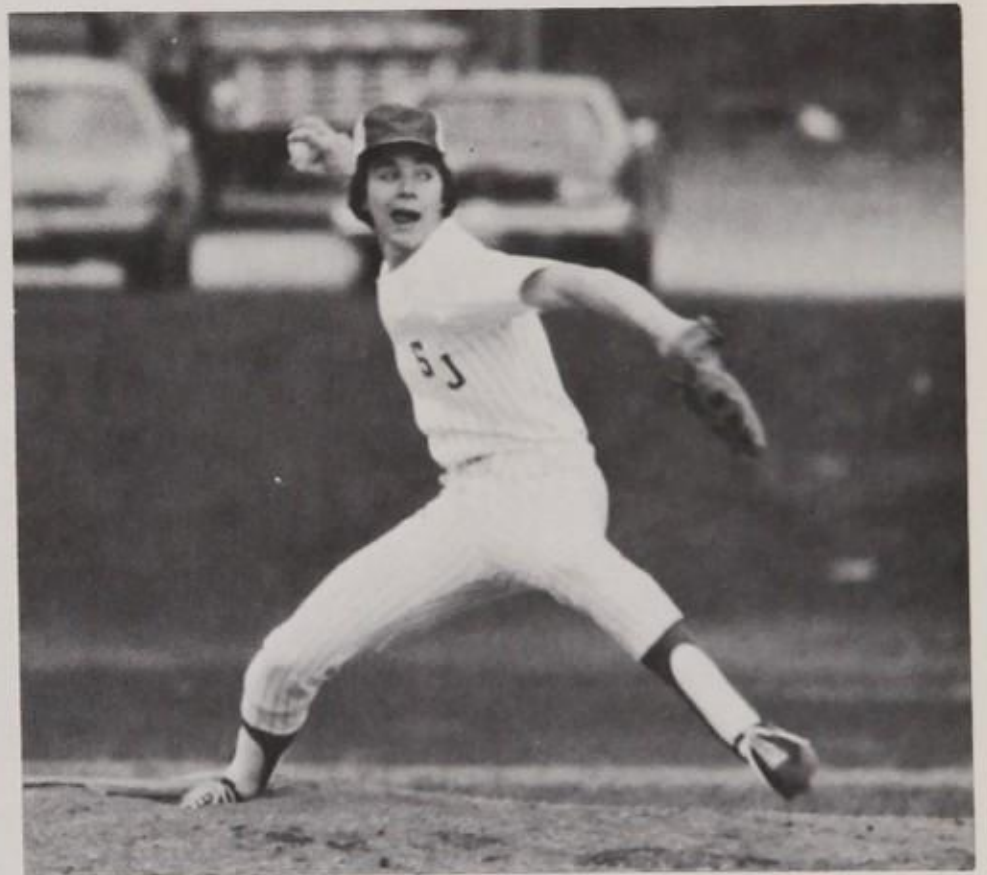

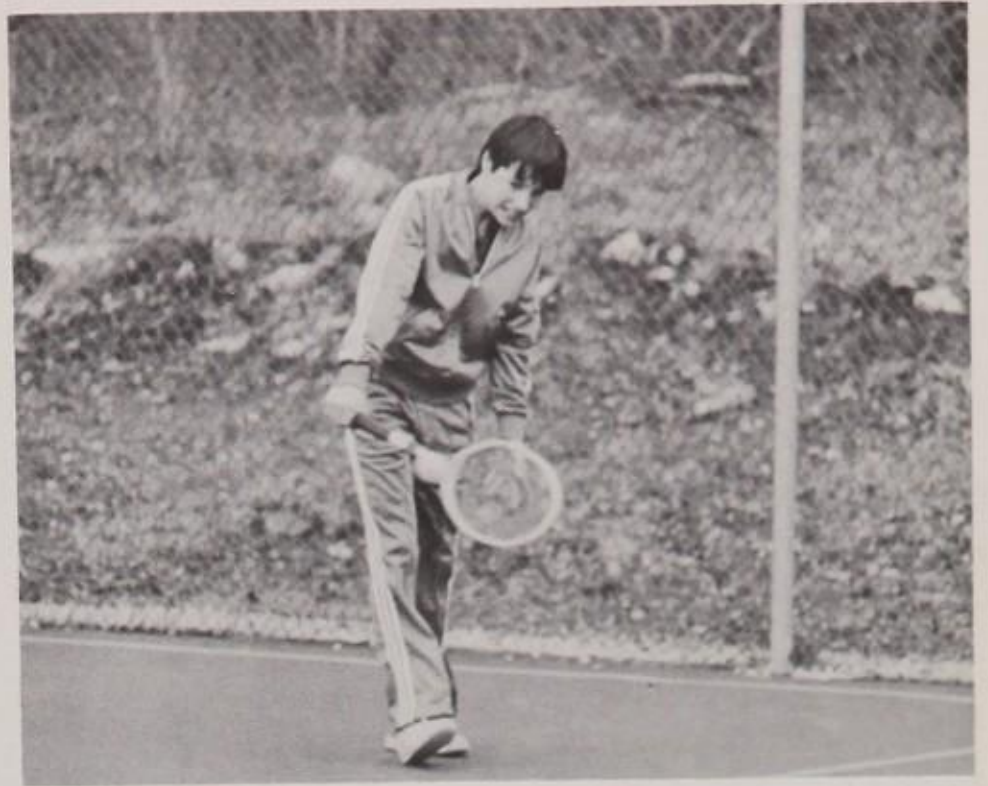

Golf: Kneeling (l-r): Terry O'Hara and John Bodinizzo; **Standing** (l-r): Jeff Pingeton, Mark Nessing, Jim Bombard, Sean Donohue, Mike Looney, Jim O'Keefe, Robert Scagnetti, and Mr. William Prendiville. The team was Central Mass. Conference Champs as well as District III Champs. **Below:** Captain John Andreoli receiving Pioneer Award from Mr. Prendiville.

Spring, 1978 marked the fourth consecutive C.M.C. Championship for Pioneer Golf. With a 19-0 season record the team easily qualified for the District III Tournament. Behind the fine golfing of Freshman Terry O'Hara, Jim Bombard, John Bodinizzo, and Mike Looney, the team won the Central Mass. District III championship and qualified for the state meet on Cape Cod. In the state meet, the team finished in eight place overall, with John Andreoli joining Terry O'Hara, Jim Bombard and Mike Looney as the four team scorers. In individual state play, Terry O'Hara and Jim Bombard finished in second and third place. Certainly the team enjoyed outstanding success. Hopefully, with only captain John Andreoli graduating, Pioneer Golf will continue to dominate in Central Mass for several years to come.

THE CLASS OF 1978

When we entered Saint John's four years ago, we were looking for something to help shape our lives. We were looking for an academic education as well as a Christian education. Many of us got involved in sports our first year; others were just going to study. Both groups were looking toward college with anticipation; however, we all saw graduation as a thing that would be a long time coming. Boy, were we fooled.

Entering Saint John's, we expected teachers to be strictly academic; again, we were wrong. They took a sincere interest in all of their students. They worked us hard to prepare us for college. When we were Freshmen and Sophomores, we heard "Get involved." The teachers kept telling us to get involved with the school. They told us school wasn't just 8:00-2:30. There was a totally different aspect to it. They said: join the Science Club, the football team, indoor track, the chess club, or intramurals. They didn't just mention it; they haunted us with it. They told us that after four years, we better not say, "I didn't do anything; I wish I got involved." After what we thought was badgering, most of us did get involved. Some of us took longer than others, but everyone in this senior class, in some way or another, did get involved during his Saint John's years.

Getting involved in extracurricular activities was a great enjoyment. The faculty wanted us involved to have fun; but there was another reason, a very important one, manhood. Christian manhood is the true reason we entered Saint John's. We could have gone to public schools but we were looking for something more. The faculty here gave us a tough education and made us get involved to prepare us for becoming men. I think the Senior Class has reached this goal.

On behalf of the seniors, I would like to thank the faculty and administration for preparing the class of '78 for the future — in the academics as well as toward the maturity that only a Saint John's education can bring.

Sincerely grateful,
Michael Welch
President of the Class of '78

1977 ...

The World

It was the winter of 1974 when the class of 1978 took the entrance exam to St. John's. At the same time, the term "streaking" was gaining new meaning in American vocabulary. By the time this year's graduates attended their first class at St. John's, the nation was recoiling from the resignation of Richard Nixon. In October of 1974, our new President, Gerald Ford, pardoned Mr. Nixon.

The year 1975 witnessed the final episode of the Vietnam conflict. Viet Cong and North Vietnamese pushed ARVN forces into the sea, and, by April 30, Cambodia and Vietnam had fallen to the Communists. Before the international community could catch its breath, trouble flared up in another part of the world. The newly-installed government in Portugal disavowed its ancient colonial empire in Africa. The power vacuum left in Angola resulted in civil war. In 1976, guerilla warfare escalated in Rhodesia.

At home, 1976 marked presidential politics and a bicentennial celebration. The major contenders for the Democratic nomination at the outset of the primaries were Henry Jackson, Morris Udall, George Wallace, and an unknown ex-governor from Georgia named Jimmy Carter. After a brilliantly planned campaign, the ex-governor beat back last-ditch efforts by Jerry Brown of California and Frank Church of Idaho to capture his party's nomination.

The Republican Party had its most exciting nomination race in many years. In the end, President Gerald Ford successfully turned back the challenge of Ronald Reagan. The election itself was close as Jimmy Carter carried the industrial Northeast and the "Solid South" to insure his victory.

The Bicentennial Celebration was a gala occasion. Spectacles were planned all over the U.S. Perhaps, the grandest of all was the sailing of the historic sailing ships, the "Tall Ships," up the Hudson River.

The year 1977 welcomed a new administration into the White House. Jimmy Carter had made some ambitious promises: a National Health Insurance Plan, Welfare reform, and the implementation of the Humphrey-Hawkins Bill which called for a reduction in the unemployment rate to 3% by 1981. Mr. Carter made the energy shortage the number one priority in 1977 and 1978.

Since 1976, the music world has been rocked by a new trend: disco. Originating in the discotheques of the nation, this new style of music uses sharp, repetitive beats as its musical foundation. The tempo is fast and any verbal accompaniment is usually slurred. In 1977 and 1978, Disco swept the country and recently with the help of "Saturday Night Fever," a hit movie, became a national mania.

And so as the generation born in the midst of the cold war reaches maturity, it views a world of food-and energy-shortages and a world where the "Pax Americana" no longer exists in the traditional sense. But, most of all, it sees a world of opportunity because for every man-made problem, there is a man-made solution. — Louis Kokernak '78

The Class of 1978

It began in Sept. 1974. On that illustrious morning, SJ appeared very imposing indeed. Yet, in three short months, this group of students, collectively known as the class of 1978, would begin to leave its impression.

They appeared in droves at Football games, dances, and activities. In November, they elected their first class president, John Deedy, and Vice President, Steve Swiss. That winter,

numerous Frosh tried out for the Freshmen "B" team. Class nights, intramurals, varsity hockey, track and basketball provided an outlet for social activities during the snowy months.

Perhaps, the most phenomenal aspect of our first year was the money raised for "Hot Off the Press." Five homerooms achieved 100%+ of their quota. The class as a whole whalloped the school with the astounding sum of 212%. The motivator behind this achievement was Brother Nelson and homeroom F-113. Nelly never passed a day without a lecture on the fruits of beating the "Dube's."

In October of our Sophomore year, the class elected Tom Turpin and Joe Ford to executive office. It was a year of personal tragedy in the passing of Brother Nelson. A kind and good man, he had taught Latin for many years at Saint John's. Spring arrived and with it the 10th annual Spring Production: "Red, White, and Brassy," a grand salute to America's Bicentennial. It was also our final tribute to Mr. Joe Hayes, the man behind the show for a decade. On May 10, 1976, Joe passed away.

Junior Year has many fond memories: SAT's, ACT's, college handbooks, Mark Foley and Bob Fitzgerald were elected on a write-in ticket. During the February vacation, the French Club took a Sojourn to Quebec. Memories of Mount Marancy Falls, Chateau Frontenac, and the infamous toboggan slide will long be remembered. The Junior Prom was held at Hogan Center. Honored guests were Bro. Comeau, Bro. Ivan, Mr. Araby, and Mr. Bradley. More than 120 couples attended the festivities.

Brother Stephen directed "A Salute to Broadway." Mark McGreenery and Dave LaMarchia both had solos. In April the S.A.C. elections were held and the Populist party won in the returns. Mike Moynihan, Jack Belsito, Tom Turpin, and John Gallagher made up this political team.

In November of Junior Year, Mr. Richard Doyle died after a short illness. This man who had given so unselfishly to S.A.C., students, and peers, will be sorely missed by the Saint John's Community. In June, Mr. Dooley, our class moderator for three years as well as our "français" teacher was given the opportunity to teach in London.

Senior Year — What can be said about the fantastic football team? Co-Captains Rich Penny and Pete McEvilly led the team to a Super Bowl Championship. Let's not forget the soccer team which for the second year in a row reached the State Semi-finals. Mike Moynihan, Tom Turpin, and Ed Gill were tri-captains. Mike (Wej) Welsh and Brian (Kojak) Kw. were our newly elected leaders. One of the more successful endeavors of the class was the senior semi-formal. Equally deserving of credit for the success of the "semi" were Mike Donoghue and Ron Darling.

Seniors John Deedy and Charley Barry had major roles in "The Roar of the Greasepaint." Tom Marion, Dave LaMarchia, Jeff Beauchamp, and Dan Biggins starred in the powerful drama "Child's Play." The winter months brought the basketball team to the state finals. One can hardly forget Carl Rapp being carried across the W.P.I. gym. Nor can the performances of John Kirby, Joe Daignault and Bob Grenier be forgotten.

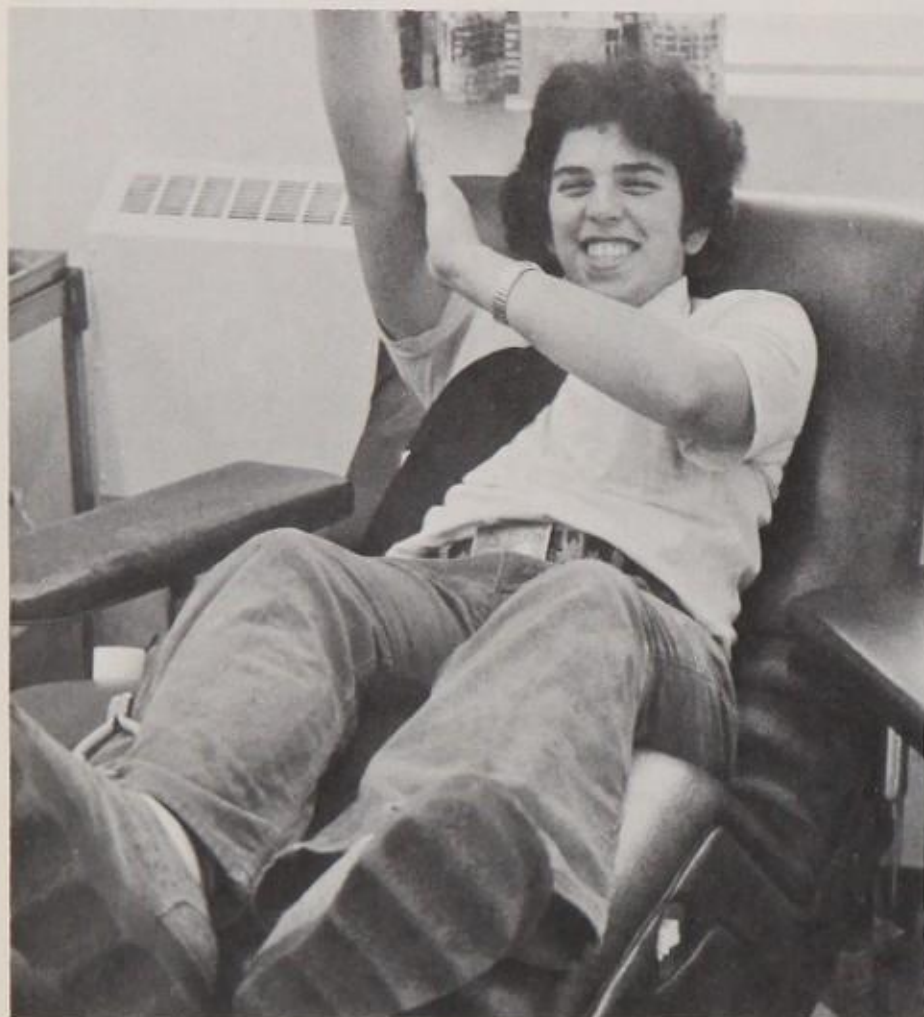

To the Tune of "PF & The Flyers," the Senior Prom was held at Patrick's in Uxbridge. It was a year of great personal triumphs: Mark Lavasseur skiing in the Junior Olympics in Wyoming. Paul Engel, Joe Daignault, Phil Eichorn, Lou Silveri, Ed Gill, Chris Chaleki, and Lou Kokernak were chosen as Merit Scholarship Semi-Finalists. Ed Gill received the Telegram and Gazette Achievement Award. Tom Marion received the Icon short-story award. "Whistlestop, U.S.A." and solos sung by John Deedy, Mike Moynihan, Tom Marion, Mike Welsh, and David LaMarchia, the Conductor. Let's not forget Jack Murphy's barnyard party. Suite; Judy Blue Eyes

"Suite; Judy Blue Eyes" was the theme the Class of 1978 choose for its Senior Prom held on Friday, April 14, 1978, at Patrick's in Uxbridge. The Prom, dedicated to Mr. Robert Moynagh, Mr. Leo Hamelin, Brother More and Brother John Sullivan, began at 7:30. Dinner followed from 8:30 to 9:30. From 9:30 to twelve, P.F. and the Flyers provided music for dancing. Bruce Wells, Don Xenos, Bill Bibaud, and Paul Engle assisted Prom Chairmen Ron Darling, Brian Tompkins, and John Deedy. Senior Class Moderators Mr. Paul Jourcin, Mr. Joseph Araby, and Mr. Stephen Gregory lent their help to insure an enjoyable evening for all.

 Yet all experience is an arch wherethrough
 Gleams that untravelled world, whose margin fades
 Forever and forever when I move.

Onto Pastures New ...

In Conclusion . . .

The ultimate result of a Yearbook Publication represents a good deal of time and labor on the part of a rather small group. However, in the process of putting together **Saint John's, 1978**, just about everyone associated with St. John's, in some way, becomes involved. We would like to express our thanks to all those who in any way helped in this undertaking — at times at inconvenience to themselves: our administration, staff, faculty, coaches, club moderators, class moderators, students, seniors, and the families of our students. We would like to extend specific thanks to the following:

Brother J. Conal Owens for his encouragement and support;

to the members of the administration, Brother Thomas Fahey, Brother More, Mr. Moynagh, Mr. Bibaud for their assistance;

to Brother Matthias for his help in research;

to Brother Thomas Ryan and Brother Victor who were always ready with their assistance;

to the Guidance Department, especially Brother Jean and Mrs. Kenary;

to Mrs. Gregory in the general office;

to Mrs. Garvey and Mrs. Murphy of the Treasure's Office;

to Marvin Richmond Photography, especially to Mr. Francis Doyle, for their help in photography;

to Mr. John Carrier of Herff-Jones Publishing for the great interest he has taken in this publication and for his creative assistance;

to the class of 1978: may this book capture something of the four years that we shared together. Best of Luck in the future.
